

# Elementary Music Notes

The Elementary Music program has had a busy fall semester. Our Veterans' Day and Winter Holiday programs were a smash! The Eagle Elite Ensemble has also had the opportunity to give a few short performances on their own. They were invited to sing at Security State Banks and at the December Senior Citizens' Luncheon. This ensemble will also perform for the Senior Citizens in April. This semester we are looking forward to hosting Chester Drawers, for an assembly that will encourage literacy. Students are learning songs in music class that will be part of the assembly. Students will also be learning more about musical instruments and folk songs. Spring, here we come!!
